

# Spirituality:

## Medicine's Fourth Dimension or Twilight Zone

Speaker: Rabbi Jeffrey Cohen

Currently a Visiting Senior (Research) Fellow in the School of Public Health and Community Medicine at UNSW. His areas of research include the Ethical, Spiritual and Cultural issues at End of Life as well as Spirituality and Health. He is particularly interested in Public Policy as it applies to Health and Spirituality. Recent presentations at National and International meetings have focused on Space Design in Health Care incorporating Spiritual, Cultural and Ethical Issues; Organ Donation with respect to cultural and spiritual dimensions; Spiritual Assessment Tools; and Faith and Mental Illness.

He is a Visiting Professor at the Mary Seacole Research Centre at De Montfort University in Leicester, UK. From 1996 to 2001, he served as Chief Executive Officer of the Sydney Jewish Museum.

Rabbi Cohen is a past President of the NSW Council of Christians and Jews
